Adobe Creative Suite  
Agile Delivery

---

## PROFESSIONAL EXPERIENCE

### University of Northern Colorado Adjunct Lecturer, Game Design

Sept 2023 - Present

Developed a 15 week "Intro to Game Design" course as part of UNC's Integrated Arts Media concentration.  
Taught *Intro to Game Design* Spring 2024, Fall 2024  
Taught *Intro to Digital Media* Fall 2024

### Deadbolt Interactive

Nov 2022 - June 2023

#### Concept Artist, *Beneath the Badlands*

As a weapons concept artist, designed numerous steampunk firearms and melee weapons, as well as a robotic character concept and key environment features.  
Collaborated with game designers, programmers, and 3D modelers to ensure concept designs adhered to the gameplay and art style while benefiting others in the production pipeline.  
Delivered in an agile sprint system, producing multiple designs per each 2-week sprint.

### Freelance Illustrator

August 2020 - Present

Created a line of merchandise from a pre-existing portfolio of work to be sold at conventions, expos, and other live events.  
Provided project-based illustration and graphic design solutions for individual client needs.

### SquarePanda x SCADPro

Sept 2022 - Nov 2022

#### Project Art Director

Managed the creation of a 124-page production art book for print, documenting the entire process of the Squarepanda x SCADPro animation collaboration.  
Oversaw a team of 7 Illustrators and Graphic Designers delivering 66 fully design print spreads with 4-color production art over the span of 4 weeks.  
Assisted in producing a Showcase event and client meetings for the collaboration.

---
